

Lee Lake Association - Update

Web site: leelakemi.com **Facebook page:** Lee Lake Association

Road Reps:

Lakeside Dr: Pat Pejakovich ppejakovich@yahoo.com

Clark Rd: Cindy Parker cajparker56@gmail.com

I Drive S: Sussie Frey mikesue6565@gmail.com

Lauralee Lane: Nora Vaughn vaughjn@sbcglobal.net

- The Association is collecting information for Lee Lake directory: Name, address and phone number provided on a membership application.
- Association dues for 2022 remains at \$20.
- The Association voted to join the Michigan Lakes and Streams Association for information on lake management, weed control, networking and educational offerings. Kathy and Rick Doud will attend this and get back to us with information.
- Lee Lake t-shirts are for sale: choice of 3 logos, short-sleeve \$19, long-sleeve \$23 and hooded sweatshirts \$27. The Association's receives \$10 for each item sold. Orders and money due before June 1st. Order forms provided by your Road Rep.
- July 4th boat parade being planned. Best decorated boats will be selected for first, second and third place. More information will be provided at a later date.
- A Lee Lake garage sale will be advertised for June 3rd and 4th. An ad will be placed on line and in the Shopper. Signage will be placed on main roads and all 4 roads surrounding the lake. Please let Kathy Doud know if you plan to participate. (269-788-2054) Families with fewer items may choose to group their sale at a designated house.
- The lake level, as determined by the County, is managed by Mike Kile. When the designated level is not achieved from rain fall, the pump is turned on to draw water from Nottawa Creek, in accordance with regulations of when the pump can be used. A new pump was installed in 2021; an assessment was applied to Lee Lake residents' property taxes to cover the cost of pump operation.
- Next meeting of the Lee Lake Association is planned for June 7. Time and place to be published at a later date on the web page and Facebook page. Please try to attend.
