Old Business

1. Lake problem of more algae brought up by Richard Doud. He contacted DNR, now EGLE who said we are a small problem. Janie said call Ron Smith. Doud will try to connect again with Smith. Problem is on-going.
2. Thanks to all officers on Lee Lake Association board.
3. Mark Casebeer has moved, but is still working on and in charge of our LLA website (LEELAKEMI.COM).
4. October is the time to elect new officers. We really need a Vice President. Richard Doud nominated Kathy Doud who agreed to run for V.P. Kathy was voted in. Thanks, Kathy.

New Business

1. Directory Creation: Janie and Diane will collect info on Clark Road & I Drive South; Pat Pejakovich will collect info on Lakeside Drive; Duane is looking for someone to help on Lauralee Lane. Contact him if you can help.
2. Newton United Methodist Church is holding a Swiss Steak dinner and Bazaar on November 6 from 4-7pm TAKE-OUT only cost \$10 per person. Pat Pejakovich said join us for church, too. Great preacher!
3. Kathy Doud talked about more T-shirts like Gallagher family sold this past summer. Give your contact information to Kathy. She will work with the Gallaghers and get back to us.
4. Cindy & Tom Parker who live in California and at 950 Clark Road had strangers prowling around their lake home. An alarm was sent to them in CA. Parkers have been informed that Calhoun County Sheriff Dept. services this area.
5. Facebook page for the association: What does it take? Who will do it? Kathy Doud, Kara Packer and adopted son volunteered.

**Duane made motion to close for the potluck.
Sussie seconded it. Vote: 1 Nay, the rest Yeah**
